URANTIA

Dear Tom:

Enclosed, as promised, please find copies of "MELCHIZEDEK ON RELIGIOUS PHILOSOPHY" as well as "JESUS' ON PRAYER AT JOTAPATA" the music-scores thereof. The corresponding page numbers in the Urantia Book are referred to on top of the music-sheets.

I would, likewise, like to let you know that my wife and children as well as myself will be in Chicago for the entire Christmas Holiday Season for about 10 days to 2 weeks, at which time it would be nice to see you and some of your associates from headquarters, as well as some of the Study-Groups in the Chicago area. Please let me know your suggestions.

Until we hear from you, let me wish you and yours all the best with warmest personal regards and much love, from
the GARRICKS
